Gentlemen;

Yours of the Jan. 16th. ~~at~~ hand and will say that we must have omitted stating that we had two fishermen whom we bought fish from in Auk Bay proper.

We had one seine out on a boat that had a crew of four men. We bought the fish from this boat. These fish were not caught in Auk Bay.

The rest of our pack was caught by our own traps four in number.

On these traps we had 7 men just watching the traps, therefore we did not consider them fishermen but watchman,

Hoping that the above will give you the information you wish and if there is any thing more you wish to know we will gladly give the information you should want,

Yours truly,

Auk Bay Salmon Canning Co.,
